⑤  Installation Tool 2PCS			

Installation Guide

STEP 1

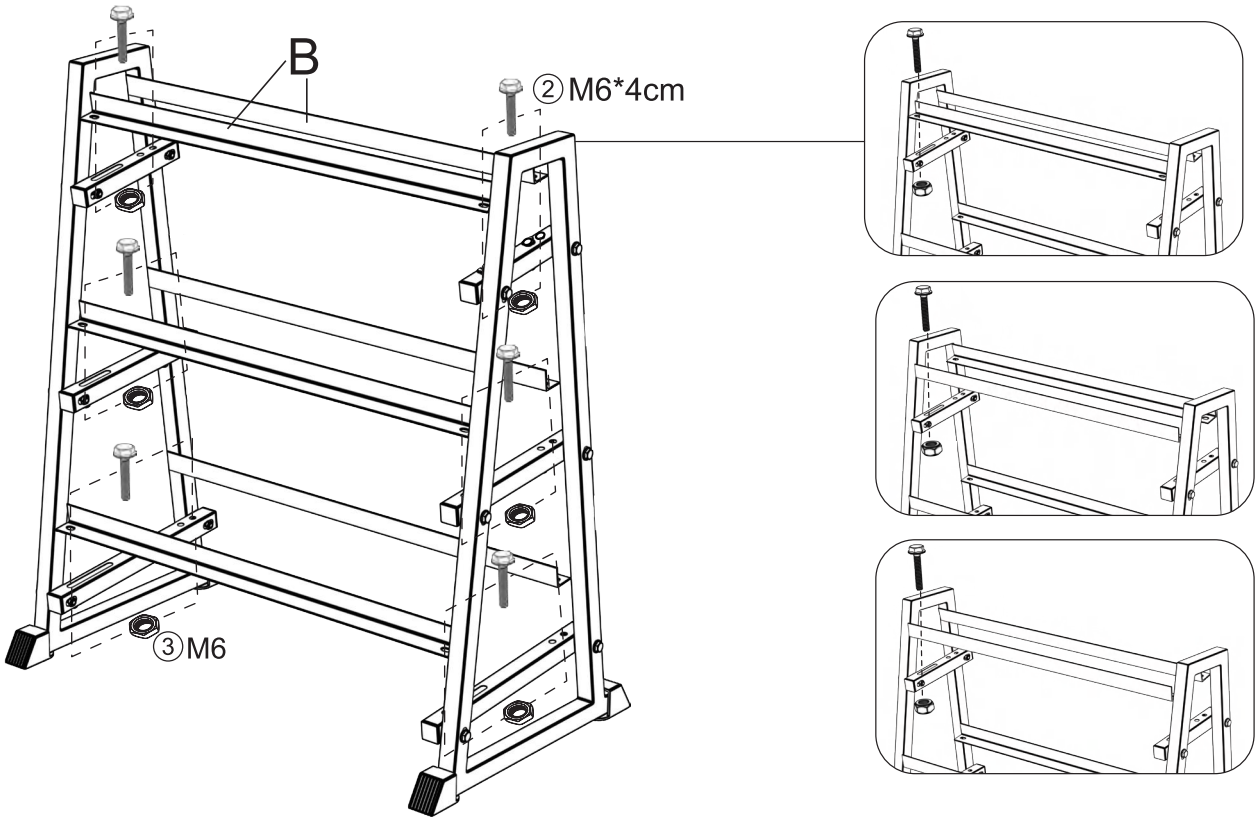

Connect C1/C2/C3-Side Connecting Rod with A-Trapezoidal Side Bracket holes, fix them with M6 * 7cm screws and nuts.

STEP 2

Connect B-Layer Rod with the C1/C2/C3-Side Connecting Rod holes, use M6*4cm screws and nuts to adjust the spacing distance.

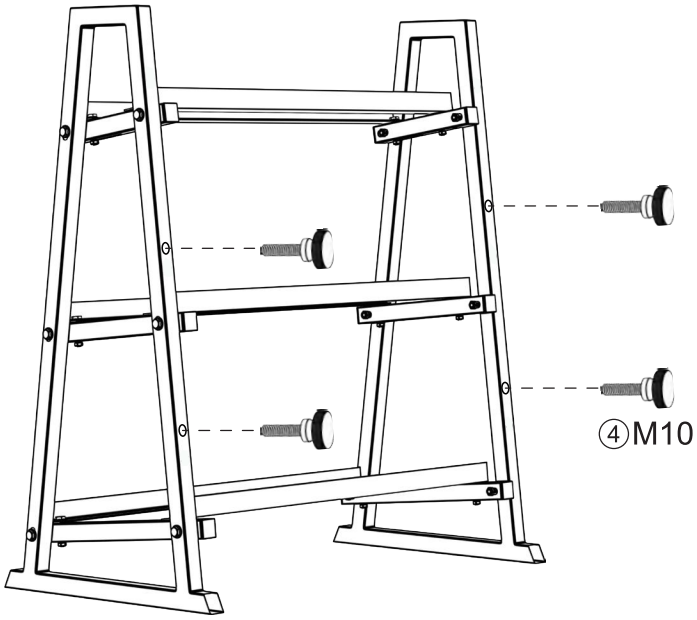

Tips: Confirm all parts position first, then fix uniformly.

Installation Guide

STEP 3

Connect M10 screws to the back hole of the A-Trapezoidal Side Bracket, adjust length freely.

STEP 4

Complete installation.
